Old Business

UNH Business Retention Project Status

A decision was made to put the project on a temporary hold until we can reconvein with a more positive outlook and strategy for completion.

Pending Exit 17 ERZ

Still awaiting final state approval.

ERZ signs

The signs are being fabricated.

Index Packaging

The plan selected includes a landlocked lot off the east end of Route 75, along with a small triangular parcel bordoring 75, that would allow access, and is rumored to be owned by the town.

New Business

2019 Budget

MEDC submitted the 2019 budget request. Plans for 2019 that require funding include 91A training, and business cards for MEDC members.

New Projects

Dennis Woods called for all MEDC members to submit ideas for new projects the team should consider adding to our active project list. With a full membership roster, we should be able to handle a few more ongoing activities. Possible new projects proposed;

New business document packet, "How to be a successful business here in Milton". Chris Penta is Lead.

Other discussions

How do we attract restaraunts to locate in Milton?
Parking downtown, and the village zoning.

Adjournment

Dennis Woods motioned for adjournment, and the meeting adjourned at 7:25.
