

**Milton Economic Development Committee
PO Box 310
Milton, NH 03851
June 16, 2014
Meeting Minutes**

In attendance: Robbie Parsons, Leo Lessard and Nick Marique. Also in attendance was Kimberly Ladisheff Land Use Clerk.

Robbie called the meeting to order at 3:30pm.

Robbie motioned to accept the May 12, 2014 meeting minutes. Motion seconded by Nick. Motion carried.

Town Planner, Jerry Coogan was unable to make the meeting but had sent paperwork. Jerry has submitted applications to PSNH and Federal Savings Bank for help with the engineering services cost to check the feasibility of extending sewer service to the Exit 17 area. EDC has received 2 quotes for the feasibility study. One from Norway Plains stating the work will be approximately \$5,000 and the other from Underwood Engineers in the amount of \$7,800. Robbie stated moving forward he feels this shouldn't cost more than \$8,000 and feels confident PSNH will come through with a grant.

There was a lengthy discussion on the Fire Department looking at the Ray's Marina site for the possible new Fire Station. The building would have to be completely gutted and brought up to code. The question was where is the point where it's worth paying for a 40 year old building.

It was decided the committee will meet again September 15.

Leo motioned to adjourn at 4:05pm. Motion seconded by Nick. Motion carried.

Respectfully submitted,

Kimberly Ladisheff
Land Use Clerk
